## ROOTED

Audience: Open to All  
Materials Cost: \$20

Rooted isn't simply a bible study or a book. It is a small-group experience, where people practice 7 rhythms essential to a healthy relationship with Jesus. Individuals establish firm roots in the Truth of God's Word through personal study and then come together to discuss what they're learning in a space where they are safe and known.

If you are new to ELPC we recommend this as your first small group experience! Rooted is life-changing!

## FIGHT

Audience: Men

Materials Cost: \$20

Some battles are worth fighting for. In this five-session video-based small group Bible study, pastor and bestselling author Craig Groeschel explores the life of Samson, helping you to uncover who you really are - a man created with a warrior's heart in the image of God- and how to stand up and fight for what's right.

Learn how to fight with faith, with prayer, and with the Word of God. Then, when your enemy begins to attack, fight for the righteous cause that God gave you.

## THE STRUGGLE IS REAL

Audience: Women

Materials Cost: \$20

Life is never as easy as we want it to be. In this 6-part series, Nicole Unice explores why life's a struggle and what to do about it. With God as the hero of the story, a hard day has new meaning. We can find joy in Him instead of feeling stuck. And our lives can be defined by redemption instead of struggle.

# THIS WEEK'S SCRIPTURE

## 1 Corinthians 13:2 NIV

If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing.

NIV: New International Version

## THIS WEEK'S PRAYER

God thank you that your love is perfect, it never fails, and that nothing can separate us from your love. We pray that our lives would be filled and overflowing with the power of your love so we can make a difference in this world and bring honor to you. We ask for your help in reminding us that the most important things are not what we do outwardly, it's not based on any talent or gift, but the most significant thing we can do in this life is simply to love you and to choose to love others. Amen.
